

**DIVISION 3**  
**Office of Public Auditor**

**CHAPTER 15**  
**MANUAL FOR CERTIFYING OFFICERS**

**NOTE:** Public Law 17-7:1 repealed the Office of Territorial Auditor and since that time there has been no organized supervision of certifying officers. Because the Office of Territorial Auditor is no more, the rules promulgated by that office are likewise no longer effective and will not be reprinted here.

A new law was created and an elected Public Auditor assumed office in 2002. No rules have been submitted from that office as yet.
