CHAPTER 58
QUALIFYING CERTIFICATES

2025 NOTE: Pursuant to 5 GCA § 1510, *I Maga'hågan/Maga'låhen Guåhan* means the “Governor of Guam” and *I Maga'håga/Maga'låhi* means the “Governor.” Pursuant to 2 GCA § 1101, *I Liheslatura/Liheslaturan Guåhan* means the “Legislature”/“Guam Legislature.”

2015 NOTE: Pursuant to P.L. 32-233:2 (Dec. 31, 2014) adding a new Article 2 to this Chapter, the Compiler designated a new Article 1 entitled “Qualifying Certificate Program” for the existing provisions (§§ 58100-58147.3) in this Chapter.

Prior publications of the GCA included the following note from the previous Compiler:

NOTE: This entire Chapter was amended, first by P.L. 22-81 and now by P.L. 22-159, the latter dated 12/29/94. It is understood that P.L. 22-81 was an invalid act because the version signed by the Governor was not the same version passed by the Legislature. The Legislature transmitted the wrong version to the Governor in error. P.L. 22-159 has not been questioned. P.L. 22-159 amended this Chapter as 12 GCA Article 4 in its entirety, and, as amended, is reproduced here.

ARTICLE 1
QUALIFYING CERTIFICATES PROGRAMS

2022 NOTE: The qualifying certificate program was created with the establishment of the Guam Economic Development Authority by P.L. 8-080 (Aug. 21, 1965), which added a new Title LIV of the Government Code. During Sixteenth Guam Legislature, the Compiler announced that Title 12 – Autonomous Agencies had been added to the new, permanent Guam Code Annotated. *See* 5 Guam Sess. L. Introduction (Apr. 1983). As part of this recodification, statutes governing the qualifying certificate program were located in Article 4 of Chapter 2 (Guam Economic Development Authority), Title 12 GCA. However, the Compiler later transferred the various articles in Chapter 2. *See* NOTE to Chapter 50, Title 12 GCA. Consequently, the Qualifying Certificate Programs are currently codified in Chapter 58, Title 12 GCA.

§ 58100. Legislative Findings and Intent.

(a) *I Liheslatura* recognizes that the Qualifying Certificate program of the Guam Economic Development Authority (the Authority) was conceived as an economic incentive tool to entice investors into Guam. In use for over two decades, it has had substantial positive impact upon the economic development of Guam, mainly in the tourist industry.

(b) *I Liheslatura* finds that, today, new hotel construction, expansion of existing ones, and development of resorts are occurring in response to demands for additional lodging due to the ever-increasing numbers of visitors to Guam and that government assistance in the form of tax rebate and abatement benefits requires periodic assessment of the growth in this section of Guam's business community.

(c) Investment by foreign entrepreneurs continues to be major catalyst for Guam's financial growth. The bulk of their interests, however, lies in large-scale projects that mainly benefit other off-island investors, transients mostly, and which also put undue pressure on the island's infrastructure to expand and meet their needs, depleting rapidly Guam's finite essential resources such as people, land and water. While Guam acknowledges their contributions to the island's welfare in terms of taxes, construction, and employment opportunities on the low end of the pay scale, meaningful participation by people who live and work in Guam, particularly in terms of ownership and joint ventures, has been sorely lacking.

(d) It is *I Liheslatura's* intent to restructure the Qualifying Certificate program to assist U. S. citizen and permanent resident entrepreneurs in establishing or expanding industries and services industries and services, including those supportive of hotels and their guests, to diversify the island economy, enrich its growth, and enhance the quality of life in Guam. *I Liheslatura* affirms that the program must be expanded to attract investments in order to diversify Guam's economy.

§ 58201. Legislative Intent.

(a) *I Liheslaturan Guåhan* recognizes that the Qualifying Certificate program of the Guam Economic Development Authority (Authority) was conceived as an economic incentive tool to entice investors into Guam. In use for over four (4) decades, it has had a substantial positive impact upon the economic development of Guam, mainly in the tourist industry.

(b) It is the goal of the Guam Visitors Bureau, under their Vision 2020, to build one thousand six hundred (1,600) new hotel rooms by 2020. Several companies have expressed interest in building hotel rooms on Guam; however, Guam must offer incentives to compete with other tourism markets.

(c) Prospective developers have also expressed a reluctance to commit, as it is yet unknown where Guam stands with the China Visa Waiver program. This has caused a delay in the development of our number one industry, and the Qualifying Certificate could provide additional incentive to develop the 1,600 rooms in time to meet the 2020 deadline.

(d) As such, *I Liheslatura* recognizes the aggressive goal of 1,600 hotel rooms by the year 2020, and the Guam Qualifying Certificate Program shall be updated to provide special incentives for hotel developers.

(b) This Article attempts to foster the development and operations of *Manāmkō* residential living accommodations from the Government of Guam to non-profit and private sector operators.
